## Benefit for Lembke Family

Come support Zeke and his family as they navigate ongoing medical care!

Zeke was born in February 2026 to parents Tanner and Jessica (Bingham) Lembke. He joined his two older brothers: Geo and Maxwell. After birth, Zeke was diagnosed with campomelic dysplasia, a rare life-limiting skeletal disorder. Along with a known diagnosis of clubfeet and bowed tibias, Zeke was born with a cleft palate, hearing loss, and a severe cervical spine deformity. In the next year, Zeke will have his cleft palate repaired, casting and braces for clubfeet, his hearing loss corrected, and undergo spinal surgery. Most of his specialists and treatments require traveling to Fargo & St. Paul, MN. Tanner works for the ND Highway Patrol in Carrington, while Jessica stays at home to care for the boys.

Funds will help with:

- Gas & travel expenses
- Medical bills and treatments
- Lodging for out-of-town care
- Meals during appointments and hospital stays
